Saint Basil the Great

Patron of the Basilian Fathers

# DEDICATION

We, the students of Saint Michael's College School, dedicate this Annual to the Men of Saint Michael's, the Basilian Fathers and the Lay Faculty, who, for more than one hundred and fifty years, have taught here and elsewhere Goodness, Discipline and Knowledge, not by words alone, but through every facet of their lives. Cheerfully, ably, and relentlessly they have pursued the arduous task of Christian education for the welfare of the whole community.

Though ranked among the finest educationalists in the country, our teachers and the Basilian Fathers cannot face the task alone. They need the help of good fathers and mothers in the home — that first and most important of all schools; they need the constant prayers and the generous aid of their alumni and other benefactors. But above all, they need a serious-minded student body that now and in the years to come will be the living proof that Saint Michael's College School deservedly ranks high with both God and Man.

Humbly, then, do we dedicate the Twentieth Volume of THE TOWER to our teachers — the Basilian Fathers and our dedicated Lay Staff of Saint Michael's College School.

Mr. Coghlan in Room 112 with some of his outstanding students

Our Cheerleaders in action at one of the Kerry Blue games on the Campus. The Grade Twelve gang was always on hand to cheer the team to victory(?)

Great action in one of the many House League games. This is action in the Senior League.

There was tremendous competition in the Football House Leagues this year. Here is some line action with the "whites" moving much faster than the "blacks".

Even the C.N.E. Stadium didn't see action to compare with this leaping catch in the Intermediate House League.

Remember those cold winter months not too long ago? Lots of the "guys" were around to lend a helping hand in emergencies such as this. Lots of fun, too!

House League hockey plays an important part in the Sports' Programme at Saint Michael's. Under the direction of Mr. Barry McDermott, each Home Room has its team in the Junior, Intermediate and Senior Leagues. And the Seniors enjoy the competition every bit as much as do the "Niners" and those who used to be "Niners".

At the top of the page is Father Whelan's 13-C Home Room which was coached by Buzzer Paul Carpe. They had a most successful season and came close when they played the undefeated Staff team. If we remember correctly, the score in that game was 6-1 for the Staff. Not bad, eh?

In the other two pictures we see the "fighters" from 13-A who were led by the "ever-present" Longo Brothers (twins) and John Kennedy. The other team had great spirit and a most enthused Home-Room teacher. But Father Carruthers could do little with the small amount of hockey talent that was at his disposal. Better luck next year Father.

Another great group in the Senior League was Buzzy McLean's 13-B aggregation whose Moderator was Mr. Pat Monahan. Mr. Pat gave them great inspiration, but even that didn't help them too much. The great goal-tending of "Whizzer" Hamer kept them close most of the time, but that was the best that they could do. Close, that is.

This group coached by David Dunn of the Buzzers must have been up pretty late the night before. The coach, along with some of his players, is almost in "dreamland". Or perhaps they just came off a long, weary road trip.

From the expressions on their faces it is difficult to tell whether this team won or lost. However, the Captain (he has a C on his sweater) seems to think that the outcome of the game was a successful one.

The whole gang gather on the stairs after their "lots of fun" toboggan party

The Double Blue Ball was held this year in the Heritage Room at the Toronto-Dominion Centre. Benny Louis supplied the music for the dance, and dinner was served during the Intermission. It was a gala feast greatly appreciated by the young men from St. Michael's and their friends.

Mrs. Meehan enjoys a few moments of relaxation at the Staff Christmas Party. Also seen in the picture are Mr. Paul Dignan, Mr. Dan Prendergast and Father Anthony Kelly. Seated at the table with Mrs. Meehan is Father Paul Sheehan.

Tom Hamer, the President of the Student Government, could be catching a "wee rest" at this time. He and the members of the Dance committee spent long hours preparing for the Ball at the T-D-C. Andre Calla and Leo Longo are seen with Tom and their young lady guests.

George Komorowski and a table of friends have finished their meal at the Double Blue Ball and it looks as if George is about ready to rise and make a speech. He is one of our number who is never lost for words.

An outstanding musical group at St. Michael's this year is a group that is known far and wide as "THE STUDS". On several occasions during the year they entertained the student body with programmes of "Rock" and "Soul" music.

At the Staff Christmas Party Mr. Millius brought that box in the right hand corner of the picture. From it poured forth some rather weird sounds. However the music (?) didn't deter some of the younger set on the Staff to venture forth onto the dance floor. Among these were Mr. G. Davis, Mr. O'Carroll and Mr. "Tom" himself.

The Parents' Guild of Saint Michael's College School is the communication link between St. Michael's, the Staff, and the parents of the students. The Guild keeps the parents in touch with Saint Michael's educational system, school curriculum, and school events. It helps the parents to assist the school in money-raising affairs.

By being a member of the Parents' Guild, it lets your son know that you really care about him and his education.

## WHO IS A SAINT MICHAEL'S COLLEGE SCHOOL OLD BOY?

Old Boy equals alumnus equals any former Saint Michael's student. The S.M.C.S. Old Boys' Association is an alumni organization devoted to enabling former students of Saint Michael's to:

(1) keep in touch with one another after they leave Saint Michael's;

(2) keep aware of the activities of the College School;

(3) assist worthy students by means of bursaries.

We do this by printing a semi-annual Newsletter, and by holding the following events throughout the year:

| | | |
|---|---|---|
| (1) Buzzer Booster Nights | — | Oct. — Feb. |
| (2) Turkey Roll and Reunion | — | December |
| (3) Family Skating Parties | — | Dec. — April |
| (4) Class Reunions | — | Jan. — June |
| (5) Communion Breakfast | — | March |
| (6) Car Draw and Dinner | — | May |
| (7) Grade Thirteen Award | — | June |

So, when you become an Old Boy, why don't you come out and join us, have some fun, and meet your old friends again?

One of the special sporting events on our Campus during the year was a "touch" football game between the Seniors at St. Michael's and the Madonna High School "Powder Puff" team. Needless to say Madonna won the game. Is that a holster that Vince (an official) has strapped around his middle?

There were about one hundred entries in the Saint Michael's Tennis Tournament which was under the direction of Mr. Paul Dignan. After some close and not-so-close games Greg Halder and Vince Delisi entered the finals. The large crowd who witnessed the final match was treated to an outstanding exhibition of tennis. After a superb demonstration Greg Halder emerged the victor. Congratulations to Mr. Dignan, the finalists and to all who participated in the tournament.

## Red Tilson Award

## Winner by Dave Gardiner

Dave Gardiner was selected by the Student Government as the Athlete of the Year, 1970. He is well known to the Students of Saint Michael's and their fans as an outstanding hockey player. His achievements on the ice as a Buzzer in 1969 and 1970 made new records in the O.H.A. Junior "B" Series. Presently he is continuing his success as a member of the Marlboro Club in the Junior "A" series. Dave is also an outstanding Junior golfer in Ontario. Lots of luck, Dave. His grateful parents express their sincere thanks to the Basilian Fathers and to the teaching Staff for all that they have done for Dave.

# The V.I.P.s...

Very important people, these Eaton Reps. We talk to them . . . and listen too. They help us to think young. Young like the Y.M.S. Shop, the Young Toronto Shop, and the Abstract Shop. They're the shops that reflect the feelings, the looks, the tastes and the unique sense of styling so important to you today. And we know it works because with so many teenagers shopping in all our stores, we have to be doing something right! So we say thanks—thanks to you, and thanks to the Eaton Reps—for helping us to stay young and alive. And remember, you're always welcome at Eaton's, the Store that's geared for youth.

Nice pose boys, but you are a little out of focus. I wonder how that could happen!

# To the Graduates of 1971

When the young Italian takes leave of his beloved shores, steeped in history and tradition, he breathes a reluctant "arrivederci." The Irish lad can scarcely summon up a devout "God bless you" as he sees his Emerald Isle fading from his misty vision. As the Hawaiian native watches his enchanted island melt into the sea, he hears in the tumbling surf, that song at once happy and sad, "Aloha."

Immortalized in song and story, in every part of the world, in every language, partings have the same characteristics of joy and sadness, pride and humility.

And so, as you leave your Alma Mater, all of us who remain behind, Staff and students together, extend to you our sincere congratulations for the tremendous job that you have done during the past five years. Our prayer is that Our Divine Lord through the intercession of his Blessed Mother, Our Mother, the Queen of the Holy Rosary, that He will bestow upon you His very special blessings every day of your lives.

ARRIVEDERCI! ALOHA! GOD BLESS YOU! FARE-THEE-WELL!
